MARYLAND DEPARTMENT OF GENERAL SERVICES  
MARYLAND CAPITOL POLICE

February 9, 2018

On Monday, February 5, 2018 at approximately 1920 hours, the Maryland Capitol Police responded to the Lawyers Mall area (intersection of College Avenue and Bladen Street, Annapolis, Anne Arundel County Maryland) to investigate a rally/ demonstration for which a permit was not secured through the department.

Upon our arrival, officers identified approximately 6 individuals belonging to a group identified as the “Patriot Picket Organization”. They were located on the sidewalk, beside College Avenue at the intersection of Bladen Street. MCP acting in good faith, concerned for the safety of pedestrians and demonstrators in the area, ordering the demonstrators to move into the mall area. Our concern was that vehicular traffic at this intersection would jeopardize the safety of pedestrians using one of the four crosswalks, based on the following:

- Prior pedestrian accidents at this same location
- Darkness at the hour of the protest
- Limited visibility in the intersection at the time (light towers)
- Drivers being distracted by protestors, waving/carrying large signs into the crosswalks and along the sidewalk, limiting the visibility of pedestrians and drivers

As a result of demonstrators refusing to move to a safer location after being advised to do so on three separate occasions, two of the protestors were arrested and charged on criminal citations. Mr. Jeff Hulbert and Mr. Kevin Hulbert were charged at the Annapolis Police Department and released after signing the criminal citations.

On Thursday, February 8<sup>th</sup> at approximately 1500 hours, I met with the Anne Arundel County States Attorney, Wes Adams to discuss the merits of this case. After reviewing all evidence covering the event, and the discussion with the States Attorney; I have decided that it is in the best interest of all parties involved to drop all criminal charges against both defendants.

The Maryland Capitol Police fully supports the 1<sup>st</sup> Amendment Rights of freedom of speech and the right to peacefully assemble. The department is committed to providing a safe environment for employees, visitors, and protestors that frequent our facilities, which is also why we have the ability to determine times, locations, and venues in which these demonstrations may occur; particularly when it involves the safety of others. We work hard at facilitating an orderly environment that is safe and pleasant for all to express their 1<sup>st</sup> amendment rights.
